Western Europe | Floods and EU response

Impact overview in Belgium

- 36 Fatalities
- 6 Missing people

Source: NCCN, as of 23 July

Impact overview in Germany

- 175 Fatalities
- 823 Injured
- 155 Missing people

Source: GMLZ, as of 23 July

EU Civil Protection Mechanism (UCPM)

On 14 July Belgium requested assistance through the UCPM. More than 150 rescue workers from France, Italy and Austria were deployed to the affected area. The accepted offers include:

- 1 Flood rescue team using boats
- 1 Flood rescue team using boats
- 1 Flood rescue team using boats (European Civil Protection Pool)
- 1 Search and Rescue helicopter
- 1 helicopter EC 145 with 2 aquatic lifeguard
- 3 Zodiac boats
- 10 boat rescuers
- 7 divers

An ERCC LO was deployed Liège from 15 to 17 July, to support with the coordination of the EU response.

In addition, Belgium received bilateral assistance from Luxembourg and Netherlands.

Damage assessment for western Germany

1. Destroyed
2. Damaged
3. Possibly damaged
4. Damaged
